OUR SERVICE PHILOSOPHY

The Sheidow Park School OSHC/Vacation Care provides quality care for school aged children and operates within all the regulatory and legislative requirements, including the National Quality framework and My Time Our Place framework.

We ensure that all experiences offered to children in our care meet these outcomes and guidelines.

Our commitment is to meet the needs of individual children in our care, their parents, caregivers and the community, through a continuous improvement plan.

The program is set in a safe and supported environment, encouraging the learning and development of individual children, whilst encouraging positive attitudes, value of play, self-esteem, respect for others and responsibility.

We encourage appropriate behavior of children by helping them connect to their world through collaborative learning opportunities, discussion, and positive reinforcement.

To ensure that we are tailoring activities to suit our children, Educators activities are programmed to engage with children, as well as build and maintain positive, respectful, and meaningful relationships.

Through our diverse program, we aim to meet and respect the cultural and individual strengths and capabilities of all children in our care, by reflecting and evaluating their learning and development.

Our goal is to offer a safe, welcoming, fun, and creative program that provides children with the opportunity to develop friendships, become effective communicators, experience life skills, and develop their self-esteem.

CHILD CARE SUBSIDY

Child Care Subsidy (CCS) is means-tested subsidy and paid directly to the Service as a fee reduction.

There are 3 factors that will determine a family's level of Childcare Subsidy, which include:

- Combined Family Income
- Activity Test for both parents
- Service Type

Transitioning to Child Care subsidy requires families to provide information and confirm current details by using your Centrelink online account through **myGov**. You will be asked to provide your combined family income estimate for the financial year, hours of recognised activity including work, training, study and volunteering and type of childcare your family uses.

Allowable Absences

You receive 42 Allowable absences per child per financial year. This means your child can be absent and you still receive the CCS rebate. Additional absences beyond 42 days for certain reasons may be approved and paid.

You can access your child's absence record on your online statement by selecting "**view child care details and payments**" on your Centrelink online account or express plus families mobile app.

ENROLMENT INFORMATION

All families attending Sheidow Park School are eligible to attend OSHC and Vacation care. Families wishing to enrol in the program can collect an Enrolment Package from the OSHC office. An OSHC registration fee of \$20.00 per family annually is debited to your OSHC account at the time of enrolment. We have combined the OSHC & Vacation care enrolments into one format, for your convenience. Vacation care booking forms will be available in week 7 of each term and can be collected from OSHC.

Families are required to complete an enrolment form, at the commencement of each school year attaching any relevant information and medical forms. However, if family circumstances, contacts, or any other information should change during the year, families must advise the Director immediately.

The children are provided with a red hat, for a small fee, \$2.50 which is kept at OSHC for their personal use.

PRIORITY OF ACCESS GUIDELINES

The Commonwealth Government regards children at risk of abuse or neglect as a Priority group for access to quality childcare. Families in crisis should also have support and assistance from childcare services to maximum extent possible. The Commonwealth Government resources childcare with a major purpose of meeting the childcare needs of families with recognised work or work-related commitments.

When demand for care exceeds supply, it is important for services to allocate available places to those families with the greatest need for childcare support.

ARRIVAL AND DEPARTURE OSHC & VACATION CARE

Children **MUST** be signed in and out of the program upon arrival and departure by an authorised adult using the electronic sign in system. Each authorised person will be given a 6-digit code to use, this code is not to be shared with anyone.

Only adults who have been authorised on the child's enrolment form will be allowed to sign children out of the program.

If parents wish other adults to collect their child/children from the program they must contact

the OSHC Director either by telephone, email or by signed note on the day of collection authorising the other adult to sign their child/children out of the program.

Please advise OSHC if your child will not be attending a booked session for some reason, either sickness or sent home from school sick, or any other circumstance as this saves us considerable time looking for missing children that have not arrived to OSHC.

OSHC

An Educator collects the Reception to Year 2 children from the designated meeting spot each afternoon, to ensure they arrive safely at OSHC.

Children are provided with a healthy snack at 3.30pm each afternoon.

EDUCATIONAL PROGRAM

Our educational program is designed around our children's' interests, needs and the curriculum- My Time Our Place (MTOP). We strive to provide exceptional care and this is achieved through ensuring our program is extensive and inclusive of all. To ensure we are tailoring activities to suit all of our children, educators actively engage with children, ask questions, as well as build and maintain positive, respectful and meaningful relationships.

Each morning and afternoon we have a set programmed activity that the children can choose to engage in. This activity is usually centred on our weekly focus, which targets one or more of the MTOP outcomes. This activity can involve, cooking, crafting, construction or even outside games. Alongside this programmed activity we offer a wide variety of spontaneous activities which the children can immerse themselves in, such as; home corner play, reading, colouring/ drawing, dress ups, board games, LEGO, box construction and much more. By offering our children such a diverse range of activity options, we are able to provide exceptional care and ensure they are developing at their optimum.

Every excursion is planned & booked in detail prior to vacation care commencing and it is important that your child arrives to OSHC at least 15 minutes prior to the departure time.

Unfortunately, we cannot wait for late arrivals, as the bus must depart as scheduled. Every attempt will be made to contact families prior to departing. Please refer to the current Vacation Care program for daily information, regarding excursions, bus departure & arrival times to avoid any disappointment.

You are required to provide morning and afternoon snacks and a drink bottle daily. Please ensure you pack enough snacks to last the whole day. Children get very hungry during the holidays!

We welcome any feedback on these profiles or information that may help to enhance your child's development.

We have introduced the See Saw app at our Service which gives parents and caregivers access to their children's journal and can comment on items uploaded by the OSHC Team. This journal is only visible for registered parents, caregivers and the OSHC Team: this keeps your children's information safe, secure and private.

Photos and videos of your children will be stored using the application, this eliminates photos being saved on services devices. For more information, please see one of the Educators, who will be happy to explain in detail or you can access the Seesaw app at <http://app.seesaw.me>
