Autism Inclusion Teacher

Dear Families,

The Department for Education has appointed an Autism Inclusion Teacher in every public primary school (including reception to year 12 schools) from 2023.

The Autism Inclusion Teacher will:

- provide support to fellow educators on how to best support and educate autistic students
- drive improved practice relating to autism that works for our school.

It is anticipated that Autism Inclusion Teachers will first build their own teaching expertise, knowledge and understanding of autism through engaging in formal learning offerings and participation in the Autism Inclusion Teacher networks. While this role is not to work directly with students and families it is to improve knowledge and practice across the school. The Autism Inclusion teacher will share their learnings and resources with their colleagues to utilise in teaching autistic children and young people in their own classes.

This is an exciting opportunity to enhance the support we provide to autistic children and young people at our school.

Visit the Department for Education website to find out more about [improving support for autistic children and students](#).

After School / Weekend Sports

2023 Registration of Interest – Reception to Year 6

After Hours School Sports aim to provide a safe, all inclusive environment for your child to develop new skills. Girls and boys of all skill level can be part of a team and enjoy sport together and most of all HAVE FUN!

This online form needs to be completed by **Wednesday 8th February 23** so we can see whether it will be possible to fill the teams and have enough parent/caregivers

to help volunteer with after hours school/weekend sport.

Please note Basketball will hopefully start in Week 4 of Term 1

Of course After School Sports (inc weekends) is not possible without parent help. Do you have an interest in a particular sport? Are you able to coach? Score? Help with transport?
