School Returns Term 2 – TUESDAY 25th July

HEALTHY...

WELL-THY...

...AND WISE...

Are you Ready to Learn?

What zone are you in...

As part of our Berry Street Education Model implementation at Sheidow we have spent time in our Wellbeing lessons looking at the concept of stress in the body, our emotions/feelings, what makes us ready to learn, and if we don't feel ready to learn, what can we do about it.

This looks different for every child, may be displayed differently in every classroom, and has been taught to the children in a variety of ways. In our Junior primary classes, the students have talked about whole class strategies, and as the students move up the school, they have been able to develop their own Ready to Learn plans and come up with individual/personalized strategies that work for them.

I encourage you to spend some time talking with your child about their learning and see what strategies work for them. Next time you come to the office, why not check out our display.

Classroom News – Room 18

In room 18 we have been learning all about the four seasons. We have been looking at what our environment looks like, what weather we might experience and what clothes are appropriate for the different seasons.

Hallett Cove Visit

Our year 6 teachers wanted students to get an early experience of high school and Hallett Cove School went above and beyond to deliver a fabulous day of hands on learning.

Japanese Visit

We had a lovely time hosting visitors from Japan!

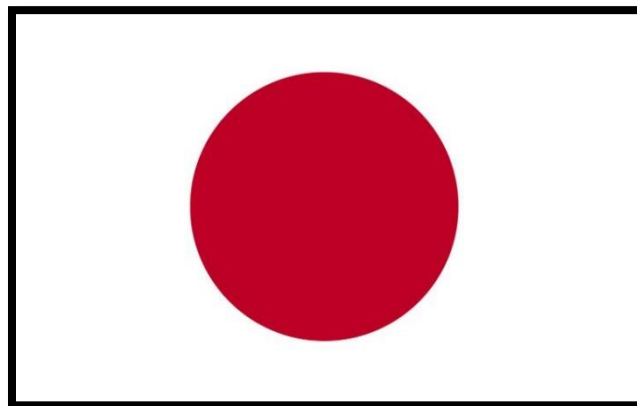

Our visitors were the Mayor of Kokubunji (Marion Council's sister council in Tokyo, Japan), the Superintendent of Education, University representatives and council liaison representative.

After a tour of our school, and joining in on a Japanese lesson, our visitors tasted some Aussie food at our morning tea.

They also presented us with some beautiful gifts.

It was exciting to have them visit!

The visitors were here to celebrate Marion and Kokubunji council's 30th year anniversary.

Environmental Team

It's great to see so many students having Nude Food lunchboxes, especially on Tuesdays which is our raffle day! Congratulations to all students who were able to enter our raffle. Here are our first winners!

Roxy F, Bowie S, Hopper L and Noah J(absent)

Camp - Woodside

Class 5 went on their 3 night camp to Woodhouse in week 2. Students set up their own camps, and were responsible for helping to prepare, cook, and clean during mealtimes. Our class engaged in a variety of camping skill activities including compass navigation, orienteering, firelighting, water purification, shelter building, and lightweight cooking. They also participated in team building activities such as building and racing palanquins, and challenge hill. The Steiner camping experience is designed for students to connect with nature, each other, and themselves, in new ways. Students emerge from the camp as a closer unit, with a greater understanding of themselves and the world around them.

This camp is also preparing the students for the 5-night camp on Kangaroo Island in 2024.

Save the date

This festival celebrates the end of the rice harvest season in many Asian countries.

It is when families spend time together, enjoy moon cakes, fireworks and lantern parades after a busy harvest season.

Here at Sheidow Park School we will be having our own Asian food market, lantern parade and fireworks.

So put the date in your diary Thursday September 7th!

We look forward to seeing everyone then!
Please keep an eye out for more information later
in term 2 and term 3.

fill out the Consent
form online instead

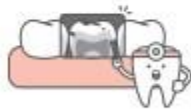

We are scheduled to visit on:

13-16 June 2023

No time for the dentist? No worries!

Help us fight dental decay this year at Sheidow Park Primary School by getting involved in our preventive check-ups. Please fill out your child's consent form as soon as possible to ensure they are seen by one of our dental practitioners.

Check-up & Clean

Have your child's teeth shining bright again! We will provide a check-up & professional clean. Here we will let you know if there are any areas that require attention.

Goodie Bags + Report

All participants receive a gift bag with dental essentials and some goodies. You will also have a take home oral health report with any concerns to monitor throughout the year

Visit with friends

Take the stress out of your child's dental visit while they visit with their friends and classmates. Our clinics are fitted with movies to watch while they wait.

OSHC News

Pupil Free Day

The school has a Pupil Free Day on Friday 9th June (Week 6) the service is open and will be hosting a Winter Wonderland theme with cooking, craft and more! Please contact the service for more info or see flyer on website/ OSHC building.

July Vacation Care

The July Vacation program will be out in week 7! So stay tuned for an amazing group of experiences! Early bird fees will run from Tuesday 13th June- Friday 23rd June (weeks 7&8).

New Casual booking fees

As of this term (2), Monday 1st May 2023 Casual booking rates will come into effect. These rates are inclusive of those who don't have permanent bookings at the service. They will be charged an additional \$5.00 per OSHC session, per child to accommodate last minute staffing, food supply and resources. BSC \$25.00 ASC \$35.00 (for those who are eligible for CCS this will be included in your subsidised amount). Permanent fees will remain the same at BSC \$20.00 and ASC \$30.00 Please don't hesitate to speak to Vanessa to discuss your bookings.

Term 2 Bookings

Please let us know ASAP if you require bookings during the term, either permanent or casual to assist us with staffing. If you require care for your child especially on a **Tuesday afternoon (early finish)** please notify us ASAP as we book out with 50 children almost every week, so the later booking time, the less chance you have of securing a spot. Once we reach capacity we are unable to accept any more children, due to licensing and staffing. Parents will be advised and children will be sent to the front office and need to be collected from there.

Medical forms

Please remember if your child requires medication or a puffer at OSHC you are required to provide **up to date medical plans from a GP as well as the medication. It is a legal requirement whilst they attend our service.** If these elements are not provided, the children will be unable to attend the service.

Please speak to Vanessa if you are unsure if your child's dates (plans or medication) have expired.

Cancellation Policy

Just a reminder that we have a **no cancellation policy** regarding bookings. Unfortunately once you make the booking regardless if your child attends the session or is unwell and does not attend you will still be charged, however you are still eligible for CCS (and for most families) are only required to pay the gap payment.

I understand it is frustrating when children become ill on the day and therefore don't require the session however we still need to pay staff that have been booked to cover the staff to ratio legalities.

We are a service that is run purely on parent contributions (fees) and receive no government funding or support, therefore if fees are not paid and are asked to be cancelled without charge (by some parents) we then have to use the money to cover costs from the budgets of resources and food for the children.

So please (without offence) do not ask to cancel and not be charged for sessions on the day/ or the next day etc.

If your family is going away in the future please notify me asap and I can change those bookings, however please understand I cannot cancel sessions for illness, as does other services such as child care etc who are in the same position.

Don't forget to notify us!

Just a friendly reminder to please let us know if your child is absent, on holidays, school crossing duty, school sports, on excursion, school transition visit, camp, traffic duty or something else to avoid us having to search the school for them. As you can imagine it is a busy time during afternoon arrivals and affects ratios if educators are out having to look for children that will be arriving late or are not at school!

Please pay your fees!

A reminder that OSHC is not a free service! Bookings need to be made and paperwork needs to be completed. It is your responsibility to contact Centrelink and link your child to our service to be eligible for CCS. If this process takes too long they will no longer back pay and you will be charged full fees. Payments are required to make fortnightly payments as per our policy. If regular payments are not received your care will be cancelled and you will need to find alternative arrangements for your child/ren. Then debt collection proceedings will follow. Thankyou to the families that su
