School Returns Term 4 – Monday 16th October

HEALTHY... WELL-THY ...& WISE!

Welcome back to Term 3!

As you would be aware, the leadership team has changed. Currently I am Acting Principal, Christie Wilson is Acting Deputy Principal (still overseeing student wellbeing) and Anna Sharman joins us as student co-ordinator. As a leadership team we compliment each other very well and work as a collaborative team. Together we will be driving the exceptional teaching, learning and wellbeing at Sheidow Park School. We endeavour to be visible, present and connected to our community!

This term has many exciting events including our biennial Moon Lantern Festival! We cannot wait to open up our school to the community and showcase the wonderful learning we are doing in our Japanese lessons. We also have many camps and excursions planned this term as well as Book Week and our fabulous dress up parade!

We look forward to seeing you at these events!

Jo Miller

Winter festival and Kuitpo forest

During winter the students of the Steiner stream participated in our Winter Excursion and Winter Festival. Our winter excursion takes place at Kuitpo forest and is designed for students to engage in, and appreciate, nature at winter time. This year we welcomed two Indigenous women from a group called 'Spirit in Unity'. They came to celebrate the land we are on and teach the children some Indigenous culture. We also had a campfire and cooked damper, as well as building shelters in the forest.

Our Winter Festival is one of our most exciting and beautiful festivals. Its purpose is to focus on coming together as a community to weather the cold and celebrate the passing of mid-winter. Throughout the term students worked on creating their lanterns and practising the winter songs. Students returned to school after dark and gathered in the gym to watch the class six students walk the spiral and light their candles. After singing and listening to a story told, students had their lanterns lit and walked the track around the oval.

This year we were excited to add a fire sculpture to the festival as the final moment. We gathered around the sculpture and sung our final songs as we watched it be lit.

The foliage, and sculpture were generously donated by parents, and the entire event is a testament to the beautiful community in the stream and school.

Hats – Term 1,3 &4

The school has a 'no hat no play' policy in place during **terms 1, 3 and 4**. Wearing a hat is an important part of the dress code.

The Cancer Council recommends a wide brimmed, bucket or legionnaire style hat.

Hats with graffiti, or hats that are torn or tattered are not acceptable. Hats with cords are unsafe and must not be worn.

Students who are not wearing a hat during recess or lunch are sent to the covered courtyard outside the Resource Centre to sit out the play period.

School hats are available from the front office – \$15.00 – bucket style, or you can purchase wide brimmed or legionnaire hats from Marino Uniform Shop on our QKR app – delivered to school (Thursday delivery day)

Thank you.
